Each workshop in the programme is marked with '(En)' or '(No)', meaning it will be held in English or Norwegian.

We also have a silent room for relaxation/meditation in the chapel by the car park

When leaving please leave the room or campsite in the state you found it, and remove the sheets and bedding.

You are invited to help out where needed, to take responsibility and help co-create this magnificent festival. Thank you :D

“The natural world is built upon common motifs and patterns. Recognizing patterns in nature creates a map for locating yourself in change, and anticipation what is yet to come.”
